Dear Hiring manager,

My name is Dyna CHHAN and I am writing in response to your need seeking an experience of working and in order to convey my desire to join **NHAM24** as a **Junior PHP Developer** . As a new candidate, I would bring what I have to serve with hard-working attitude and to make a valuable addition to the company.

I am going to be graduated and earned an Associate degree in coding skill with having more than 2 years' experience of studying some programming languages at PASSERELLES NUMERIQUES CAMBODIA such as HTML, CSS, and PHP and a few frameworks: Laravel, Vue.js. Moreover, I have also developed some project designs and multiple other related activities which related to analytical skill, testing, implementation, and I have produced simple websites that incorporate and push myself to higher level also. And all of these abilities, I believe that, my experiences and abilities align well with the qualifications you are seeking for.

My involvement as a student of PASSERELLES NUMERIQUES CAMBODIA has given me opportunity to improve my commitment, communication skill, my attitude, and my ability to adapt myself in different situations. My self-discipline will become a benefit for **NHAM24**. I hope that I am the right candidate for your company due to my skills and experiences. I am glad to meet you in the interview session. I can be contacted by email: dynachhan.kh@gmail.com and phone number: 015 46 31 35. Thank you for your time and consideration.

I look forward to hearing from you.

Sincerely,

DYNA CHHAN
